COMMUNITY DEVELOPMENT

Camp Bow Wow Project Narrative

We are proposing "Camp Bow Wow", a premier dog daycare and boarding facility to be located in the Rudeen Building C. We plan to utilize approximately 7900 square feet of an approved approximately 25,000 square foot building. The building is located at 16446 146th Street SE.

The building has recently received site plan approval on August 4, 2016 (attached). Per the Code we are applying for a conditional use permit to allow the dog daycare/boarding to be permitted in the Industrial zone.

Camp Bow Wow is the premier provider of innovative, healthy and happy pet care worldwide while lending a paw to animals in need. Camp Bow Wow takes animal welfare seriously while still providing a fun, safe and upscale environment for dogs to play, romp and receive lots of love and attention. We provide all services a pet parent would need: day care, inside overnight boarding, training and baths. In addition to these services we give back to the local communities through the Bow Wow Buddies Foundation. This is done by leading pet adoption events as well as in camp dog fostering, raising money for disabled Veterans with PTSD to be paired with service dogs, and bringing therapy dogs to areas affected by natural disasters and tragedy as well as an initiative to educate children about bite prevention.

Currently there are 135 Camp's around the country and we look forward to opening our camp in the City of Monroe.
