RE: Notice of Complete Application for Stanton Station

File No. PL2019-02

Dear Mr. Hanson,

Your land use permit application which was submitted to the City of Monroe on October 29, 2019 for preliminary plat approval has been determined **COMPLETE** as of **November 13, 2019**. A complete application is not an approved application. A permit application is complete when it meets the submission requirements outlined in the Monroe Municipal Code. The City's determination of completeness does not preclude the City from requesting revisions, additional information or studies if new information is required, corrections are needed, or where there are substantial changes in the proposed action.

A decision will be made within 90 days of the date of the letter of completeness excluding time periods as described in MMC 22.84.040.G. If you have any questions and/or wish to discuss any portion of the enclosure of your application, please feel free to contact me at (360) 863-4533 or abright@monroewa.gov.

Sincerely,

A handwritten signature in blue ink that reads "ABRIGHT".
