**POLICY CONSIDERATIONS**

*Professional development and growth of personnel has been identified as a key goal of the Monroe Police Department Strategic Plan.*

**DESCRIPTION/BACKGROUND**

The Monroe Police Department was poised to have a robust and ambitious training program for departmental employees in 2020. Several key certifications, training for persons in new positions, and much needed training for our civilian component were deemed critical in order to maintain our proficiency. Also, the incorporation of problem oriented policing concepts and a move toward inclusiveness relied heavily on training hours. Due to COVID-19 and social distancing, most outside training related to our needs and goals have been postponed.

In addition, the various social movement efforts related to the death of George Floyd and calls for police reform have created a need to shift training resources. This changing environment will require further adjustment(s) to training curriculum while balancing on-going requirements for certification(s) as well as rescheduling missed training.

**DESCRIPTION/BACKGROUND**

National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community.

National Night Out (NNO) culminates annually on the first Tuesday in August. Due to the COVID-19 pandemic, NNO is strongly recommending that all National Night Out 2020 areas celebrate on October 6<sup>th</sup>, the first Tuesday in October.

On June 25, 2020, city staff met with Monroe Rotary Club of Monroe, a co-sponsor of NNO, and agreed to postpone NNO from its original date of August 4, 2020, with a tentative plan to hold it October 6, 2020, assuming the large gathering guidelines for the State of Washington, specifically Snohomish County, could be met.

### **DESCRIPTION/BACKGROUND**

The Loaned Executive Management Assistance Program, LEMAP, provides management consulting and technical assistance to law enforcement entities. LEMAP reviews provide agencies an opportunity to take a step towards excellence by subjecting agencies to a complete review of their organizational structure.

The LEMAP team was on site for the assessment of the Police Department on March 10<sup>th</sup> and 11<sup>th</sup>. A final report was submitted to Chief Jolley in June. Staff will be acting on the recommendations of the LEMAP study. Some of areas the department will be looking at include:

- Update of the current Monroe Police Department Strategic Plan
- Review Lexipol policies
- Management, staffing, organization and utilization of personnel
- Records Management
- Training
- Investigative functions
- Evidence and property control functions
- Patrol functions
