SPECIAL EVENT INFORMATION SHEET

Dear Applicant:

We are pleased that you are planning a special activity in the City of Monroe. By working together, we can make the necessary arrangements to make your event a success.

A special event is defined as any kind of activity that is out of the norm for activities typically occurring in the area where the event is proposed to take place, or an activity that may impact public places, areas, or facilities. Events involving 30 or fewer people are usually exempt from this permitting process, but please check with the City to be certain.

A special process has been developed to address the needs of special events in order to protect the health, safety and welfare of all citizens, while facilitating, to the extent reasonable, activities that enhance the quality of life. As much as is possible, the rules and regulations are designed, based upon experience, to provide for the specific needs for each special event, anticipating and addressing potential problems or areas of concern before they develop. This process is also meant to provide you with “one stop shopping,” eliminating the need to contact multiple city departments.

The following are some of the general requirements for a special event permit. You may wish to request a complete copy of MMC 5.28, which governs special events, for more detail on conditions, exemption, waivers and appeals procedures

1. APPLICATION DEADLINE

Any person or organization desiring to sponsor a special event not exempted by ordinance, shall apply for the special event permit filing a complete application with the City on a form supplied by the City. For large events this application should be filed not less than 90 days in advance of the proposed event date(s). It is in the best interest of the applicant to submit the application as early as possible to ensure that adequate time is available to develop and comply with the requirements of the specific permit. It will also allow the applicant time to use the appeal process if need be. Applications submitted on notice too short for adequate staff review will not be guaranteed approval.

2. ADMINISTRATIVE FEE

A **\$55.00** non-refundable administrative fee is due with completed application. There may be other fees due depending on your location and request of facilities. (All fees subject to local City of Monroe sales tax)

3. INDEMNIFICATION AGREEMENT

The permit applicant must sign an agreement to defend, indemnify and hold the City of Monroe harmless from any claims arising out of event prior to the issuance of their event permit.

4. INSURANCE REQUIRED

The applicant/sponsor of the event must possess or obtain public liability insurance. Coverage shall be commercial general liability policies with a minimum limit of \$1,000,000 each occurrence, \$2,000,000 aggregate. A certificate of insurance shall be submitted as evidence of liability insurance coverage.

An endorsement adding the City of Monroe on your organization's liability coverage as an additional insured for the date(s) of your event is required.

If you have difficulty meeting these insurance requirements, please contact the City's Park & Recreation Events & Tourism Coordinator. In some circumstances, the insurance requirements may be reduced or waived, particularly with small family sponsored events.

If hosting a block party insurance is required and a copy naming the City as additional insured must be provided per page 3 of this document. HOA's can cover this requirement. If you do not belong to an HOA applicant may obtain one day insurance through TULIP which is offered through the WCIA website.

5. AGE REQUIREMENT

The permit applicant must be above the age of 18 and if planning a block party, the applicant and homeowner must be at least 21 years of age.

6. HOMEOWNER PERMISSIONS

If hosting a block party, applicant must have permission from homeowners effected by road closure and block party prior to application submission.
